Total Security Services International, Inc. (TSSI) and Service Specialists, Ltd. Announce Partnership Providing Integrated Security Awareness and Call Center Solutions

Rockville, MD – March 3, 2011 – Total Security Services International, Inc. (TSSI) today announced a partnership with Service Specialists, Ltd., an 8(a)-certified, woman-owned Small Disadvantaged Business based in Ridgeland, MS. Service Specialists' experience in meeting immediate needs in the homeland security and emergency management arena includes developing, launching, and staffing a FEMA Call Center after Hurricane Katrina hit the MS Gulf Coast.

“At TSSI, a key pillar of our vision is to ensure that informed citizens and employees have the capability to work as partners with industry and government because they are trained to recognize threats and offer an effective rapid response to protect our critical assets. We continually strive to choose business partners who share this vision,” said Don L. Rondeau, President and CEO of TSSI. “In Service Specialists, we have found a company with this shared commitment and the proven capacity to enable solutions in this arena.”

“Service Specialists has been searching for an opportunity to partner with a recognized leader in homeland security. Combining the core competencies of Service Specialists and TSSI provides our customers with a proven, integrated solution positioned to have an impact right away,” said Deborah Martin, President of Service Specialists, Ltd. “In TSSI, we have found a partner recognized within the industry as a cutting-edge leader with a business philosophy showing true commitment to partnership involving mutual knowledge transfer.”

As part of this agreement, Service Specialists will provide call center services and personnel to support joint activities. Services may include, but are not limited to, call center operations, recruiting, training and financial processing. TSSI will support joint activities by providing tools and capabilities related to information sharing and analysis, anti-terrorism training, and senior advisory services through the TSSI Critical Infrastructure Protection Strategic Advisory Group™ (CIPSAG™). The TSSI CIPSAG™ roster includes exceptional thought leaders from across the homeland security, emergency response, and humanitarian aid spectrum. This list includes Stephen McHale, former

Deputy Administrator of the Transportation Security Administration (TSA); Bob J. Nash, former Under Secretary of Agriculture, deputy campaign manager for the Hillary Clinton for President Campaign and currently a senior advisor to James Lee Witt Associates; Joe M. Allbaugh, former FEMA Director (2001 – 2003); General Wallace C. Arnold (Ret.), former Army Assistant Deputy Chief of Staff for Personnel; Jeffrey K. Beatty, a renowned counter-terrorism professional and former high ranking official with the FBI, CIA and Delta Force; Colorado State Representative and PROJECT C.U.R.E. executive Joe Miklosi; and former American Red Cross Director of Preparedness, Dr. Darlene Sparks Washington.

About Total Security Services International, Inc. (TSSI)

Rockville, MD-based Total Security Services International, Inc. (TSSI) is a unique group of security professionals offering its public and private sector clients a cutting edge, science-based approach to critical infrastructure protection and security planning, operations, intelligence and disaster preparedness and response. Since 1992, TSSI has been a highly regarded partner and resource to federal agencies - such as the Transportation Security Administration, FEMA, the FBI, and the U.S. Department of Transportation - as well as state and local governments developing solutions to some of our Nation's most difficult critical infrastructure protection challenges. We are known among our private sector customers as a company that offers highly-effective, customized, cost-effective security plans and training programs.

About Service Specialists

Ridgeland, MS-based Service Specialists, Ltd., is an SBA-certified 8(a) woman-owned Small Disadvantaged Business offering its public and private sector customers a full-service business process outsourcing capability. Service Specialists clients have come to expect immediate impact in response to their business process outsourcing needs at a high level of quality, and in a cost-effective manner. Since 1968, we have successfully provided support to industry leaders throughout the United States. Our expertise in meeting the needs of populations recovering from disaster had an immediate impact after Hurricane Katrina hit the MS Gulf Coast. Our experience since that time has included developing, launching, and staffing a FEMA Call Center; managing special needs for disaster victims; and developing and updating a database utilized by disaster victims to search for available housing nationwide.
